

PRAANA 3in1 Solar Survival Kit

Emergency Flashlight, 5000mAh USB-C Power Bank & 7W Panel – Stay Lit in Blackouts and Protect Your Family – Replace Candles and Old Flashlights

Features & Benefits

- 100% Clean Energy Charging with a high-efficiency 7W solar panel.
- Powerful 800-lumen LED flashlight with three adjustable modes.
- Lightweight and portable at just 0.44 pounds.
- Rugged IP68-rated design is fully waterproof, dustproof, and shock-resistant.
- Eco-friendly alternative, reducing reliance on traditional power sources and batteries.
- Perfect for adventurers, emergencies, and everyday users.

What Stands Out

- **3-in-1 Functionality**
Combines a powerful 5000mAh charger, bright 800-lumen flashlight, and a 7W solar panel, making it an essential tool for camping and emergency situations.
- **Eco-Friendly Energy**
Utilizes renewable solar energy to recharge, reducing reliance on traditional power sources and ensuring sustainable outdoor adventures.
- **Wide Compatibility**
Designed to charge both iPhone and Android devices seamlessly, providing versatile power solutions for all users while on-the-go.
