¹ All battery life claims are approximate and based on internal testing under optimal laboratory and network conditions. Actual battery performance will vary and depend on numerous factors including product configuration and usage, software, operating conditions, wireless functionality, power management settings, screen brightness and other factors. The maximum capacity of the battery will naturally decrease with time and usage.

² For LTE SKU only.

³ License/activation fees may be applicable.

⁴ Actual in-box items vary by different sales package.
